

Favorite K words. Kids are captivated with words that begin with K, such as kangaroo, kitten, keys, kitchen, and kite. Talk about favorite k words. Write each down, naming all the letters. Then kids can dictate imaginative stories using their favorite K words. Perhaps an adventure about a kangaroo in the kitchen.

K k kite

Write K in Chalk. Chalk has a k in the word, so use it to practice writing. Supply kids with Crayola® Chalk and a chalkboard or dark sheet of construction paper. Go outdoors and write on the sidewalk.
