

A dot grid with letters A through Z and an exclamation mark. The letters are arranged in a roughly circular pattern. The letter 'A' is highlighted with a red dot. A large, stylized letter 'S' is drawn over the grid, starting at point 'A' and ending at point 'X'. The 'S' is formed by two curved lines: the top curve starts at 'A', goes right, then loops back to the left, ending at 'X'; the bottom curve starts at 'X', goes left, then loops back to the right, ending at 'A'.
